

HOPE FARM COTTAGES

Brean Road Lympsham Near Weston-super-Mare Somerset BS24 0HA

Places to See

Hope Farm is in the countryside, close to the tranquil village of Lympsham, with its neo-Gothic houses, picturesque cricket pitch and C15th church.

In the village, a pint and a game of skittles can be enjoyed at the Pavilion while watching a cricket match, a tennis court may be hired and provisions can be picked up from the village shop.

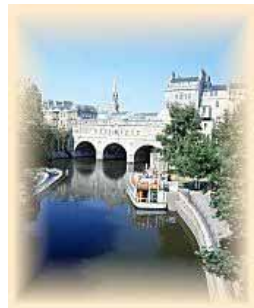

A few minutes drive away are the seaside resorts of Weston-super-Mare and the more restful town of Burnham-on-Sea, each with long golden sandy beaches. The wonderful scenery is ideal for touring, walking and cycling and there are stately homes and castles, as well as animal farms, a helicopter museum, waterslides and donkeys on the beach.

Uphill

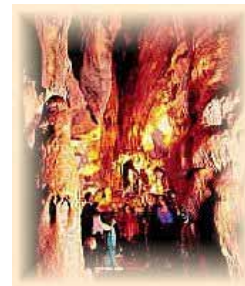

4 miles away is Uphill with its tiny harbour, church ruins and nature reserve, Brean and its headland; Brean Down is a "must see", and we recommend a visit to Berrow with its miles of sandy beach and dunes that support diverse wild life. Nearby there's golf, sailing, fishing and horse riding, as well as steam trains, garden centres, cider tasting and factory outlets.
